Tyler Eikenberg   Software Engineer

Severn, MD · 443-618-7765 · tylereikenberg8195@gmail.com· https://github.com/TylerEikenberg

Cool, calm, and concise. I'm a Software Engineer who takes pride in going the extra mile and I focus special attention to the small details.

SKILLS

JavaScript | ReactJS | HTML/CSS | MongoDB | Express | NodeJS | Git | Python | Django | Agile

EXPERIENCE
General Assembly | Washington, DC | SEP 2019 - JAN 2020
Software Engineering Immersive Student. 500-hour software-engineering immersive course that focused on real world application of full-stack coding skills. Completed projects include:

- **DeliCious** - Full stack application built with React, Node and MongoDB; with a team created a responsive and functional website for finding the best restaurants in DC.   My main role was creating the backend database, building many of the websites components, and implementing full CRUD for user reviews.

- **CoTripper** - Full stack application built with React, Python, and Django; worked with a team of 25 other developers to build a website for mothers to connect with and plan trips with their kids.

- **Studio Ghibli Database** - A full-stack application that allows users to learn about the various films produced by Japanese animated film creators Studio Ghibli. Created using MongoDB, Express, React, Node, CSS, and Bootstrap.

- **Galaxy Dawg** - A single-player, top down, "shoot-em-up" style spaceship game for desktop and mobile devices, created with HTML, CSS, JavaScript, and PhaserJS. Gameplay is simple, intuitive, and fun.

Previous Employment
Bethel Bakery | Lead Icer, Baker, Depositor, Condenser | Bethel Park PA | NOV 2016 - Aug 2019
- I worked my way around the bakery learning numerous positions in order to keep up with demand and be the most reliable worker I could be. In charge of training employees, and being a lead in various positions.
- As the Lead cake icer, I was in charge of training all new hirees, coordinating the icing team, and icing hundreds of cakes every day, including Wedding cakes.

The Pittsburgh Tattoo Studio | Apprentice Tattoo Artist | Dormont , PA   Feb 2015 - Oct 2016
- Worked as an Apprentice Tattoo Artist; learning artistic skills as well as proper health precautions involved in the process.
- As an apprentice I'd do anywhere from about 2 to 5 tattoos every week.
- 40+ hours of drawing every week, offering clients several different variations of drawings of their tattoos.
- Assisted with reception work; helping customers and booking appointments.

EDUCATION
Software Engineering Immersive Student, General Assembly, DC Sept 2019 - JAN 2020

High School Diploma, North County High School, Glen Burnie, MD 2009 - 2013
